Dashboard

Welcome to the Egyptian Scholars Portfolio. Please start with the following steps to complete your portfolio of achievements:

1. Add links to your accounts on academic research databases like Google Scholar and Research Gate to retrieve your research information automatically.
2. Complete your Resume by adding your experience, publications, achievements, skills and more.
3. Engage with other members by joining discussions in Forums, Research Groups, Questions and Instant Messaging.

You have not tagged anything yet

You can navigate into profile information section and choose “contact information” tab to change your info

The screenshot shows the 'Contact Information' tab of a user's profile. The page includes a navigation bar with 'ESP' and a search bar, and a main menu with 'Profile' selected. The profile section is titled 'Personal' and has sub-tabs for 'About me', 'Contact Information', 'Academic and Social Links', and 'External Content'. A note states: 'Fields marked by "*" are required.' Below this, a message says: 'This information is private until you include it in a page that is shared with others.'

The 'Contact Information' section contains the following fields:

- Email address ***: clo@kfs.edu.eg (with a '+ Add email address' button)
- Personal website address**: http://www.url.com
- Address**: (empty text area)
- Home phone**: (555) 555-555, +555-555-555
- Business phone**: (555) 555-555, +555-555-555
- Mobile phone**: 0223344
- Fax number**: (555) 555-555, +555-555-555

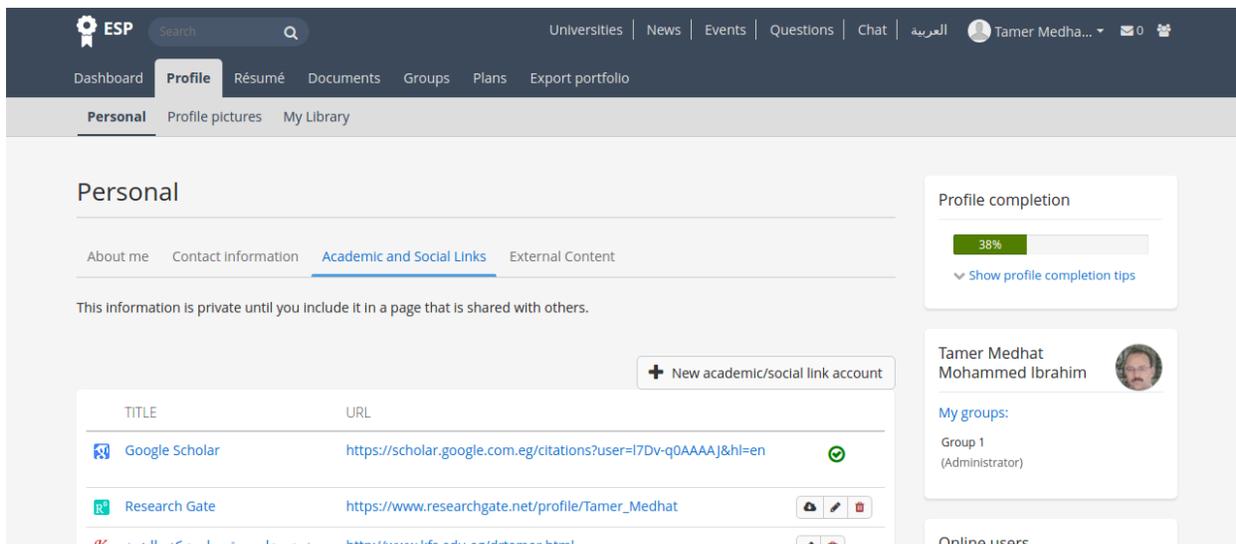

A 'Save profile' button is located at the bottom of the form.

On the right side of the page, there are several widgets:

- Profile completion**: A progress bar showing 38% completion, with a link to 'Show profile completion tips'.
- Tamer Medhat Mohammed Ibrahim**: A user profile card showing the user's name and a photo. Below the name, it says 'My groups:' followed by 'Group 1 (Administrator)'.
- Online users**: A list of users who were online in the last 10 minutes, including 'Tamer Medhat Mohammed Ibrahim' and 'Admin User'. A 'Show all online users' button is present.
- Tags**: A section with a right-pointing arrow and the text 'You have not tagged anything yet'.

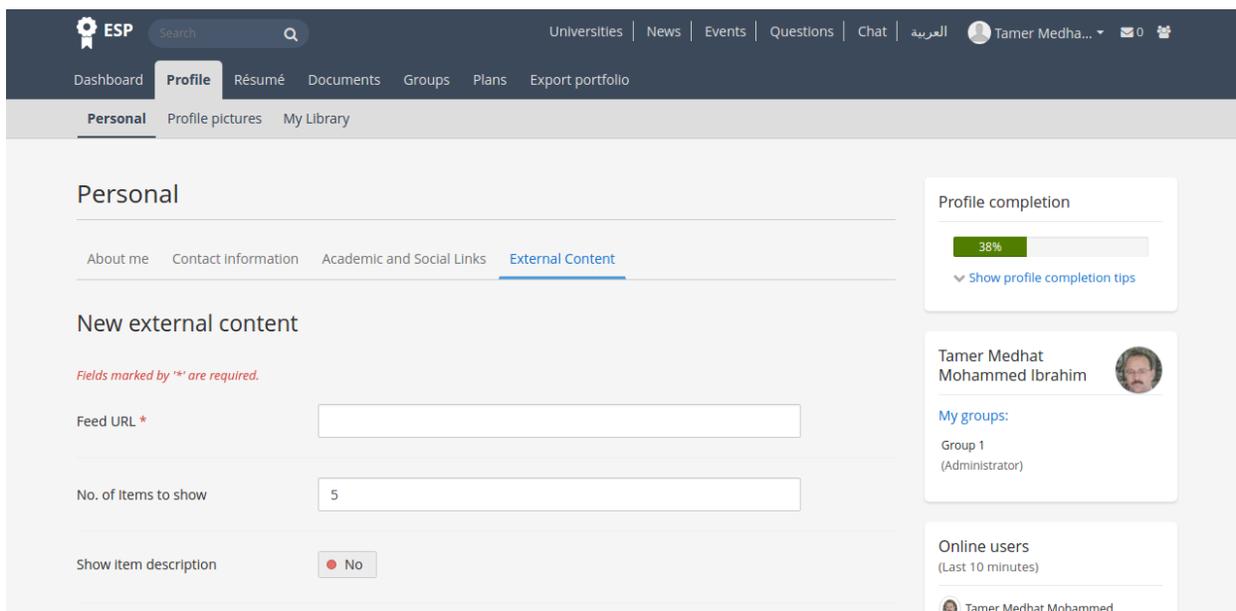

The footer of the page contains the text: 'Universities News Events Questions Chat Egyptian Scholars Portfolio - All rights reserved'.

You can add social links to show it in your public profile like facebook, linkedin .. etc. Social links from “Google Scholar”, “Research Gate” or “ORCID” will give you option to crawl your data -only once- from these profiles

TITLE	URL

User manage his resume

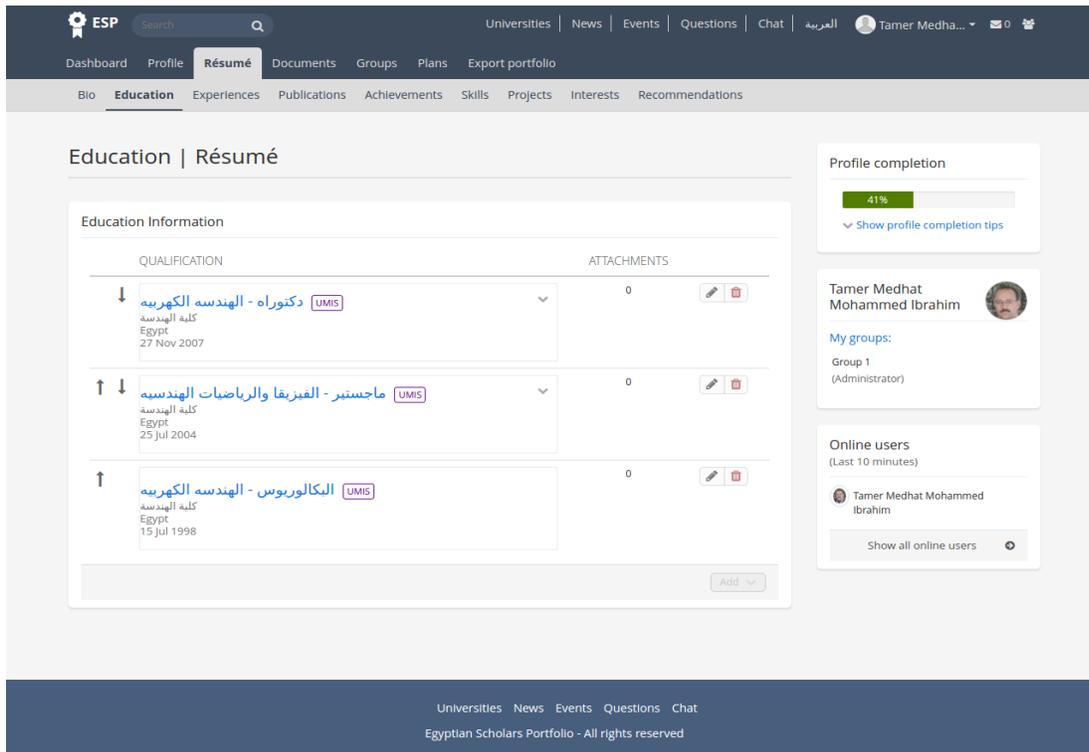

You can edit resume content by navigating to Resume from header menu

Under Resume you can manage all resume section, you can edit your bio

The screenshot shows the user's profile page with the 'Résumé' tab selected. The 'Bio' section is active, displaying a 'Saved successfully' message. The bio text is in Arabic, discussing the importance of educational links and the user's focus on research. A list of interests includes 'Computer and network', 'Information systems', 'Real-time systems', and 'Engineering applications'. A 'Profile completion' bar shows 38% progress. The user's name 'Tamer Medhat Mohammed Ibrahim' and group membership 'Group 1 (Administrator)' are visible.

You can view and order your education records imported from UMIS

The screenshot shows the 'Education' section of the resume. It features a table of education records imported from UMIS. The table has columns for 'QUALIFICATION' and 'ATTACHMENTS'. Three records are listed: a PhD in Electrical Engineering (2007), a Master's in Physics and Mathematics (2004), and a BSc in Electrical Engineering (1998). The 'Profile completion' bar shows 41% progress. The user's name and group membership are also visible.

User manage his Skills

The screenshot shows the 'Skills' management interface. At the top, there is a navigation bar with 'ESP' and a search field. Below it, a menu includes 'Dashboard', 'Profile', 'Résumé', 'Documents', 'Groups', 'Plans', and 'Export portfolio'. A secondary menu lists 'Bio', 'Education', 'Experiences', 'Publications', 'Achievements', 'Skills', 'Projects', 'Interests', and 'Recommendations'. The main content area is titled 'Skills | Résumé' and has a sub-tab 'Skills'. A large empty box with a pencil icon and the text 'you do not have any data yet' is present, along with an 'Add' button. On the right, there are three widgets: 'Profile completion' showing 41% progress, 'Tamer Medhat Mohammed Ibrahim' with a profile picture and 'My groups' listing 'Group 1 (Administrator)', and 'Online users' showing 'Tamer Medhat Mohammed'.

User manage his projects

The screenshot shows the 'Projects' management interface, which is identical in layout to the 'Skills' page. The main content area is titled 'Projects | Résumé' and has a sub-tab 'Projects'. It features a large empty box with a pencil icon and the text 'you do not have any data yet', and an 'Add' button. The right-hand side widgets are also identical, showing 'Profile completion' at 41%, the user's name 'Tamer Medhat Mohammed Ibrahim', 'My groups' with 'Group 1 (Administrator)', and 'Online users' with 'Tamer Medhat Mohammed'.

User manage his groups

User can create his own group by clicking groups tab then "create Group " button and also can search about the groups he is member on it or invited to be a member in it

The screenshot displays the 'Groups' management page in the ESP system. The top navigation bar includes 'Universities', 'News', 'Events', 'Questions', 'Chat', and 'المربية'. The user profile 'tamer abd all...' is visible. The main navigation menu shows 'Dashboard', 'Profile', 'Résumé', 'Documents', 'Groups', 'Plans', and 'Export portfolio'. The 'Groups' tab is active, showing a 'Find groups' section with a search bar and a filter dropdown set to 'Groups I'm in'. A 'Create group' button is present. The search results show one group: 'test groups - Open', with 'Group administrators: tamer abd allah helmy gomaa mekhemar' and 'Members: 1'. On the right, a 'Profile completion' widget shows 28% progress. Below it, the user's profile 'tamer abd allah helmy gomaa mekhemar' is shown, along with 'My groups:' listing 'test groups (Administrator)' and a 'Become Admin User again' button. An 'Online users' widget shows the user is online. The footer contains 'Universities News Events Questions Chat' and 'Egyptian Scholars Portfolio - All rights reserved'.

The group admin can invite users to be members in his group

The screenshot displays the 'test groups' page in the Academic Portfolio. The top navigation bar includes 'Universities', 'News', 'Events', 'Questions', 'Chat', and a user profile for 'tamer abd all...'. The main navigation menu shows 'Dashboard', 'Profile', 'Résumé', 'Documents', 'Groups', 'Plans', and 'Export portfolio'. The 'Groups' section is active, showing 'test groups' with sub-tabs for 'About', 'Members', 'Forums', 'Pages', 'Collections', 'Journals', and 'My Library'. The 'Members' tab is selected, displaying a search bar, a 'sorted by: Admin first' dropdown, and a 'Search' button. Below the search bar, a 'Results' section shows one member: 'tamer abd allah helmy gomaa mekhemar - Admin', who joined on '26 Aug 2018'. To the right of the search results, it indicates '1 member'. On the right side of the page, there are three panels: 'Profile completion' (28%), 'My groups:' (listing 'test groups (Administrator)' with a 'Become Admin User again' button), and 'Online users (Last 10 minutes)' (listing 'tamer abd allah helmy gomaa mekhemar' with a 'Show all online users' button).

And also can create topics , forums , pages , collection of pages and also can upload files and share them with the group members

User manage his dashboard

The user can manage his dashboard and it can see all the updates he made , his groups and the online users by opening the dashboard tab

And can control the layout of the dashboard by editing in it

The screenshot displays the user's dashboard for the Egyptian Scholars Portfolio (ESP). The interface includes a top navigation bar with the ESP logo, a search bar, and links for Universities, News, Events, Questions, Chat, and the user's name (tamer abd all...). Below the navigation bar is a secondary menu with tabs for Dashboard, Profile, Résumé, Documents, Groups, Plans, and Export portfolio. The main content area is titled "Dashboard" and contains a welcome message and a list of instructions for completing the portfolio. On the right side, there are several widgets: "Profile completion" showing a 28% progress bar, "My groups" listing "test groups (Administrator)" with a "Become Admin User again" button, and "Online users" showing the current user as online. The left side features widgets for "Latest changes I can view" (showing a document update), "My documents" (showing one result), "Inbox" (no messages), "Topics I am following" (no messages), and "Watched pages" (no pages on watchlist). The footer contains navigation links and the text "Egyptian Scholars Portfolio - All rights reserved".

SUPER ADMIN JOURNEY

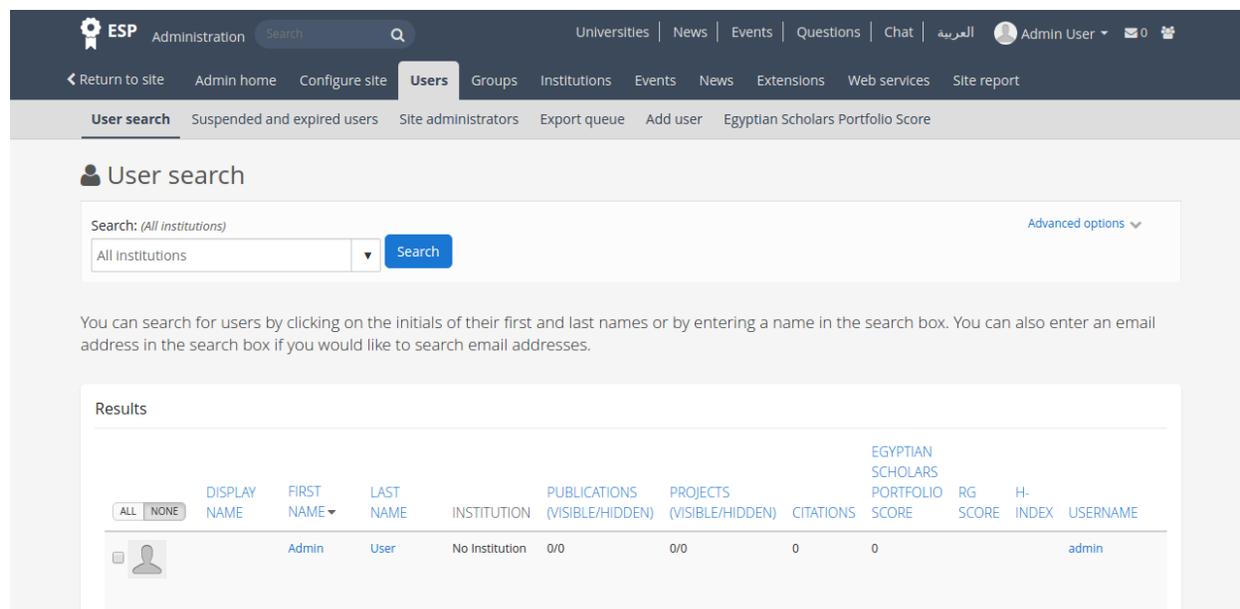

Admin manage users

Admin open administration section by clicking "Administration" in top menu

The screenshot shows the ESP Administration interface. At the top, there is a navigation bar with 'Administration' selected. Below it, a sub-menu includes 'Admin home', 'Configure site', 'Users', 'Groups', 'Institutions', 'Events', 'News', 'Extensions', 'Web services', and 'Site report'. The main content area is titled 'Administration' and contains several panels: 'Register your Mahara site', 'Egyptian Scholars Portfolio: Site information' (showing site installed date, database size, Mahara version, and cron status), 'Close site', and 'Clear caches'.

Admin can manage users in the system by going to users from admin top menu

The screenshot shows the 'Users' management page in the ESP Administration interface. The 'Users' menu item is selected in the top navigation. The main content area is titled 'User search' and features a search box with a dropdown menu set to 'All Institutions' and a 'Search' button. Below the search box, there is a 'Results' section displaying a table of users. The table has columns for 'ALL', 'NONE', 'DISPLAY NAME', 'FIRST NAME', 'LAST NAME', 'INSTITUTION', 'PUBLICATIONS (VISIBLE/HIDDEN)', 'PROJECTS (VISIBLE/HIDDEN)', 'CITATIONS', 'EGYPTIAN SCHOLARS PORTFOLIO SCORE', 'RG SCORE', 'H-INDEX', and 'USERNAME'. A single user, 'Admin User', is listed with the following details: Institution: No Institution, Publications: 0/0, Projects: 0/0, Citations: 0, Portfolio Score: 0, Username: admin.

ALL	NONE	DISPLAY NAME	FIRST NAME	LAST NAME	INSTITUTION	PUBLICATIONS (VISIBLE/HIDDEN)	PROJECTS (VISIBLE/HIDDEN)	CITATIONS	EGYPTIAN SCHOLARS PORTFOLIO SCORE	RG SCORE	H-INDEX	USERNAME
<input checked="" type="checkbox"/>	<input type="checkbox"/>	Admin	User		No Institution	0/0	0/0	0	0			admin

Admin can list all users and search by name

Admin manage site configuration

Admin can configure site by clicking configure site from the menu under administration tab

The screenshot displays the ESP Administration interface. At the top, there is a navigation bar with the ESP logo, a search bar, and links for Universities, News, Events, Questions, Chat, and a language selector (العربية). The user is logged in as 'Admin User'. Below the navigation bar, a secondary menu includes 'Return to site', 'Admin home', 'Configure site' (which is active), 'Users', 'Groups', 'Institutions', 'Events', 'News', 'Extensions', 'Web services', and 'Site report'. Under the 'Configure site' tab, a sub-menu lists 'Site options', 'Static pages', 'Menus', 'Networking', 'Licenses', 'Pages', 'Collections', 'Journals', 'Share', 'My Library', and 'Cookie Consent'. The 'Site options' page is shown, featuring a heading 'Site options' and a sub-heading 'Here you can set some global options that will apply by default throughout the entire site. Note: Disabled options are overridden by your config.php file.' Below this is a list of settings categories, each with a dropdown arrow: Site settings, User settings, Search settings, Group settings, Institution settings, Account settings, Security settings, Proxy settings, Email settings, Notification settings, General settings, and Logging settings. A blue button labeled 'Update site options' is positioned at the bottom of the settings list. The footer of the interface contains links for Universities, News, Events, Questions, and Chat, along with the text 'Egyptian Scholars Portfolio - All rights reserved'.

Add groups by CSV

You may use this facility to upload new groups via a [CSV](#) file.

The first row of your CSV file should specify the format of your CSV data. For example, it should look like this:

```
shortname,displayname,roles
```

This row must include the shortname, displayname, and roles fields

The roles field can have any of the following: 

- course
- standard

The editroles field can have any of the following: 

- all
- notmember
- admin

Your CSV file may include any other fields as you require. The full list of fields is:

<ul style="list-style-type: none"> • shortname • displayname • description • open • controlled • request 	<ul style="list-style-type: none"> • roles • public  • submitpages • allowarchives • editroles • hidden 	<ul style="list-style-type: none"> • hidemembers • hidemembersfrommembers • invitefriends • suggestfriends • usersautoadded  • quota
--	--	---

*Fields marked by ** are required.*

Institution:

CSV file *: No file chosen

The file containing groups to add

Update groups: No

The information in the CSV file will overwrite any details of groups whose group shortname is in the CSV file. Use with care.

Admin can add members of any group by upload CSV file contain the members data by clicking "Update Group members by CSV" with the following format
 (shortname, username, role)

The screenshot shows the 'Update group members by CSV' page in the ESP Administration interface. The page title is 'Update group members by CSV'. The main content area contains the following text and form elements:

You may use this facility to update group members in groups controlled by this institution. You can upload new members via a [CSV](#) file.

The first row of your CSV file should specify the format of your CSV data. For example, it should look like this:

```
shortname,username,role
```

This row must include all the fields mentioned above, but can be in any order.

The shortname field must be the same as the shortname you used to create the group [here](#).

The role field can have any of the following, depending on the type of group: admin, member, or tutor.

Every CSV file upload removes all existing group members, including group administrators, completely. Ensure that you have at least one administrator for each group in your CSV file.

Update group members by CSV

You may use this facility to update group members in groups controlled by this institution. You can upload new members via a [CSV](#) file.

The first row of your CSV file should specify the format of your CSV data. For example, it should look like this:

```
shortname,username,role
```

This row must include all the fields mentioned above, but can be in any order.

The shortname field must be the same as the shortname you used to create the group [here](#).

The role field can have any of the following, depending on the type of group: admin, member, or tutor.

Every CSV file upload removes all existing group members, including group administrators, completely. Ensure that you have at least one administrator for each group in your CSV file.

Fields marked by "" are required.*

Institution Kafrelsheikh University

The file containing group members to update

[Universities](#) | [News](#) | [Events](#) | [Questions](#) | [Chat](#)
 Egyptian Scholars Portfolio - All rights reserved

University admin can manage his institution and can adjust settings by clicking settings under institution tab

Kafrelsheikh University | Administer institutions

Fields marked by "" are required.*

Institution name *

Institution short name
The short name is generated automatically and cannot be changed.

Registration allowed No
People can register for this institution using the registration form. If registration is off, non-members cannot request membership of the institution and members cannot leave the institution or delete their user accounts themselves.

Confirm registration Yes
Registration must be approved by an institution administrator. If you cannot change this option, the site administrator requires all institutions to have this option turned on.

Default membership period

How long new members remain associated with the institution.

Language

The default language for users in this institution.

Logo No file chosen
You can upload an image here that will be displayed to your institution's members in place of the standard header logo. For best results, this image should have the same dimensions as the site logo in your institution's theme. As each theme can have a different header height, no exact dimensions can be provided.

Theme

The default theme for the site. If your theme is not listed, check the error log.

Drop-down navigation No
The main navigation will use a drop-down menu.

Comment sort order

Set the sort order for artefact comments when viewed on a page.

Threaded comments No
Allows threaded replies to individual comments on a page.

Show online users

The online users to show to members of this institution. If users are allowed to be in multiple institutions and these have different settings, the most permissive institution settings will be used.

Default quota

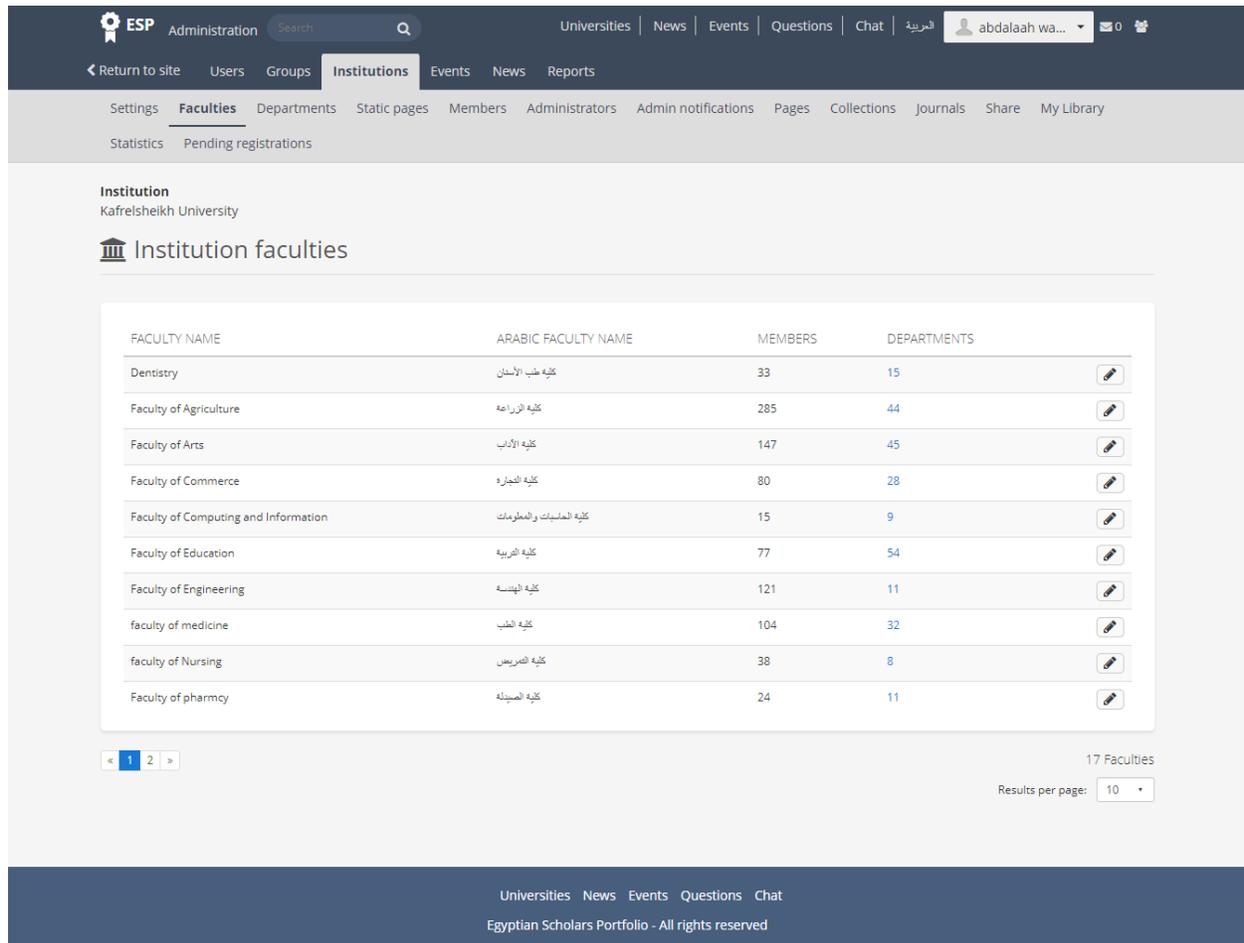

Allow institution public pages No
Allow users belonging to this institution to create portfolio pages that are accessible to the public rather than only to registered users.

Allow SmartEvidence No
Turn collections into SmartEvidence collections, which are linked to a competency framework.

Locked fields

University admin can see the faculties of his university and also can edit the faculty web site

link by clicking Faculties under institution tab

University admin can manage the administrators of his university by clicking administrators from institutions tab

The screenshot shows the 'Institution administrators' page for Kafrelsheikh University. The page has a dark blue header with navigation links: 'Return to site', 'Users', 'Groups', 'Institutions', 'Events', 'News', and 'Reports'. Below the header, there are links for 'Settings', 'Faculties', 'Departments', 'Static pages', 'Members', 'Administrators', 'Admin notifications', 'Pages', 'Collections', 'Journals', 'Share', and 'My Library'. The main content area is titled 'Institution administrators' and includes a sub-header 'Institution administrators'. Below this, there is a text block explaining that users can choose administrators for the institution. The interface features two main sections: 'Admin users' with a search input and a 'Search' button, and 'Current administrators' with a list containing 'abdalaah wageeh abdaaal ghazy'. A 'Submit' button is located at the bottom of the main content area. The footer contains navigation links for 'Universities', 'News', 'Events', 'Questions', and 'Chat', along with the text 'Egyptian Scholars Portfolio - All rights reserved'.
